EXPLANATION OF RELEVANCE

The above references were cited in a Search Report rendered by the European Patent Office during examination proceedings for the European application corresponding to the present United States application. A copy of the European Search Report is enclosed.

For the references which are in English, no further commentary concerning their teachings is necessary. An English translation of Reference AT is attached thereto.

Copies of each of the above references together with Form 1449 are submitted herewith.

As of the date of mailing of this Information Disclosure Statement, a first Office Action on the merits has not been received in connection with this application, and therefore, this Information Disclosure Statement is in compliance with 37 C.F.R. §1.97(b)(3), and no fee is necessary.

Should this Information Disclosure Statement cross in the mail with a first Office Action on the merits, it is still in compliance with 37 C.F.R. §1.97(c). Accordingly, the undersigned counsel states pursuant to 37 C.F.R. §1.97(e)(1) that each of the above items was cited in a communication from a foreign Patent Office in a counterpart foreign application not more than three months prior to the filing of this Information Disclosure Statement.

All claims of the application are submitted to be patentable over the teachings of the above references, taken singly or in combination, or in combination with any of the previously submitted references.

Early consideration of the application is therefore respectfully requested.

Submitted by,

(Reg. 28,982)
